

SETTLEMENT AGREEMENT

I. INTRODUCTION

1.1 The Parties

This Settlement Agreement is hereby entered into by and between Evelyn Wimberley ("Wimberley") and Sterno Products, LLC (hereinafter "Sterno"), with Wimberley and Sterno collectively referred to as the "Parties" and each of them as a "Party." Wimberley is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products.

1.2 Allegations and Representations

(a) Wimberley alleges that Sterno is a person in the course of doing business for purposes of Proposition 65, Cal. Health & Safety Code §§ 25249.6 et seq., and offered for sale in the State of California and that Sterno's customers, Walmart Stores, Inc ("Walmart") among others, have sold in California, Sterno Firestarter that when used as intended produces combustion byproducts carbon monoxide and soot, and that such sales have not been accompanied by Proposition 65 warnings. Carbon monoxide and soot are listed under Proposition 65 as chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. Wimberley has cited UPC076642202164 as a specific example of the Sterno Firestarter that is the subject of her allegations.

(c) Sterno does not admit and denies the material, factual and legal allegations contained in the Notices, and maintains that all products sold, distributed or offered for sale in California have been and are in compliance with all laws, including, without limitation, Proposition 65.

(d) The Parties enter into this Settlement Agreement to resolve all Proposition 65 claims concerning Sterno's products set forth in Wimberley's Notice, including claims against Sterno's customers, distributors and retailers, including but not limited to Walmart who received the Notice alleging violations of Proposition 65 resulting from their distribution and/or sale of Producer's products in California.

1.3 Covered Items

The products that are covered by this Settlement Agreement are defined as Sterno Firestarter UPC076642202164. All such Sterno Firestarters shall be referred to herein as the "Products."

1.4 Notice of Violation

On or about May 22, 2017 Wimberley served Sterno, Walmart, and all public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" (the "Notice") that provided Sterno, Walmart, and such public enforcers with notice that alleged that Sterno and Walmart were in alleged violation of Proposition 65 for failing to warn consumers and customers that the Products exposed users in California to Carbon monoxide and soot. No public enforcer diligently prosecuted the claims threatened in the Notice within sixty days plus service time relative to the provision of the Notice to them by Wimberley.

1.5 No Admission

Sterno denies the material allegations contained in Wimberley's Notice and complaint and maintain that it has not violated Proposition 65. Nothing in this Settlement Agreement shall be construed as an admission by Sterno of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Sterno of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Sterno. However, this section shall not diminish or otherwise affect the obligations, responsibilities, and duties of Sterno under this Settlement Agreement.
